on Smart Systems Integration

Expert Workshop

Electrification of Road Transport

29 January 2016, Diamant Conference Centre, 80 Reyerslaan, 1030 Brussels

Agenda (Draft No. 6, 18 Jan 2016)

10:00 Opening

Stephan Neugebauer, BMW / Chairman ERTRAC and EGVI
Liam Breslin, European Commission

10:30 Industrial Activities in Electric Mobility

Chairperson: *Stephan Neugebauer, BMW / Chairman ERTRAC and EGVI*

Electric Buses and Trucks

Edward Jobson, Volvo Trucks

BEVs and PHEVs

N.N.

Electrification, Connectivity and Automation

Pierre Michel Olivier, Renault

Discussion and Intervention regarding electric 2-wheelers (ACEM)

11:30 Progress in Current H2020 Projects

Chairperson: *Josef Affenzeller, AVL / ERTRAC*

Li-Ion Batteries (GV-01-2014): Five VB

Corina Täubert, AVL

Energy Management (GV-02-2014): OSEM-EV

Wolfgang Dettmann, Infineon

Light Weight EVs (GV-05-2014): WEEVIL

Ivan Gallego, Mondragon Automacion

Hybrid Vehicles (GV-04-2014): ECOCHAMPS

N.N.

Discussion

12:30 Lunch

13:30 Future Perspectives

Chairperson: *Günter Lugert, Siemens / EPoSS*

European Markets for E-Mobility

N.N.

Europe's Role in Battery Development and Manufacturing

Michael Krausa, Kompetenznetzwerk Lithium-Ionen-Batterie

Electric Vehicle Charging and Smart Grid Interoperability

Marcelo Masera, JRC Ispra

Discussion

14:30 Coffee Break

15:00 Outlook

Update of Electrification Roadmap

Gereon Meyer, VDI/VDE-IT

Discussion of research agenda in view of the actual situation and future prognosis

Conclusions for the Task Force

16:00 End of Event

Posters on results of EGCI projects and progress in EGVI projects
